Important notice:

The DTPV was founded only a couple of weeks ago. This is the first competition we organise. A test run, if you will. We do all we can for a smooth and beautiful weekend for all of us. We even applied for perfect weather conditions. We want to do it 100%. We are Germans, after all!

But: We all know Murphy's law https://en.wikipedia.org/wiki/Murphy's_law : What can go wrong, will go wrong. ;-)

So please be patient with us.

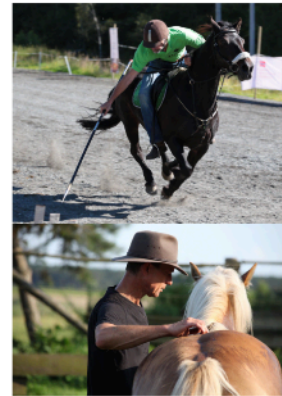

We know, all of you are cool and relaxed people, so let's look forward to meeting each other and having fun with our wonderful sport!!

Vicepresident

Christian Scholle-Ziefuß,
